

13/08/2024 - HET Showcase session

Health equity town news

The poster features a background image of a large, historic stone building with a prominent clock tower. Overlaid on this are several colorful circles containing text. A purple circle at the bottom right contains the word 'Luton'. A dark purple bar at the bottom left contains the website 'luton.gov.uk'. The main title is in large, bold, black font, and the date and time are in a slightly smaller bold font. Three overlapping circles (blue, purple, and pink) contain key details about the session: 'FREE online session', 'Presentations providing evidence of Making a Difference', and 'Hear from Health Equity Town Prize winners'. A blue circle at the bottom right of these contains the MS Teams ID and passcode.

Not to be missed! Health Equity Town (HET) Showcase session on Thursday 29 August from 10 to 11.30am on Teams

Please join this free online session where HET prize winners will:

- present their experience of running HET funded projects (funding awarded in 2023) provide
- evidence of making a difference

On the agenda will be:

- 'grow your potential' about their youth club
- 'PEP project' about employment opportunities for people with learning disabilities
- 'frequent attendants' of primary care health services

The session is **free to join** and will take up to 1.5 hours, covering presentations from the 3 winning projects, including time for questions and answers.

The purpose of the showcase session is to share and learn about tackling health inequalities. Come and join in, and embrace inspiring journeys.
